The Craig Tufts Memorial Fund was established at National Wildlife Federation to carry on Craig's enthusiasm and passion for nature and wildlife, and to acknowledge and encourage people, young and old, who share an interest in the natural world. Most recently, the Fund has been used to provide scholarships to youngsters attending Family Nature Summits, week-long environmental education and adventure vacations all over the country.

Additional Fundraiser - Happy Hour, Friday, August 26th

In addition to the concert, there will be a happy hour on Friday night at Buffalo Wing University in Fairfax, a restaurant run by Ben Tufts' brother. This event is also going to raise funds--guest bartenders and cocktail waiters and waitresses are donating tips, and the restaurant is donating a certain percentage of sales.

Please consider supporting this wonderful cause!
