

Family Nature Summits

July 7-13, 2012

YMCA of the Rockies, Estes Park, CO

Please Donate to Family Nature Summits

We need your help. We volunteers at Family Nature Summits work hard to make sure our membership and registration fees cover the costs of providing our programs. However, that greatly depends on the size of our enrollment from year to year.

We have also dedicated ourselves to reaching out to underserved and underrepresented communities to help them learn about nature, enjoy the outdoors and become inspired.

For the last four years we have offered scholarship opportunities for both students and teachers. We intend to expand our outreach efforts for the 2012 Summit and beyond.

[In support of these efforts, please donate to Family Nature Summits today.](#)

We'll provide a receipt that you can use for a 2011 tax deduction.

Early Payment Deadline is December 31st

A reminder the early payment deadline for the 2012 Summit is December 31st in order to receive the \$25/person discount.

Not registered yet or have questions about the 2012 Summit? Visit the registration page [here](#) for more information or [download](#) the registration form.
