Young Adult Fees Reduced

Do you know someone aged 19-25 who would like to attend the Family Nature Summit in Lake Tahoe?

We have reduced the registration fee for Young Adults to \$500 from \$575. We have a thriving young adult community and we want to keep them coming! If you have already registered a Young Adult for 2010, we will apply the reduction against any remaining registration fee balance due or refund any overpayment on request.

[Download the registration form from the Family Nature Summit website.](#) Once your registration has been received, you'll get a code that lets you book your accommodations at Granlibakken Resort.

Would you like to teach in Tahoe?

We sent a request for proposals to all past faculty on our email list late last month. If you would like to receive future requests or if you are interested in being a faculty member at the Lake Tahoe Summit, please send an email expressing your interest and with a short description of the classes you'd like to teach to recruiting@familysummits.org by November 20.

Closing Quote:

"Delicious autumn! My very soul is wedded to it, and if I were a bird I would fly about the earth seeking the successive autumns."
- George Eliot

Starting on a Monday?

For a very long time, if not forever, everyone arrived Saturday, registered and started programs Sunday morning.

The 2010 Summit will start on a Monday. Yes it's true! Everything gets moved back two days. We made this change to allow people to be home for Independence Day and avoid travel on the busy July 4th weekend.

So this year Summiteers will all arrive on Monday, July 5th. Classes and activities will start on Tuesday, July 6th and run through Saturday, July 10th. The closing program will be Saturday. Check out will be on Sunday, July 11th after breakfast.

This is a helpful reminder if you are starting to book your flights and accommodations. That July 5 date is not a typo!

Sierra Club Calling for Family Vacation Stories

Summiteer Jeff Hanlon passed along a note from the September Sierra Club e-newsletter, calling for people to share family vacation stories. He submitted a story about Family Summits. If they get a bunch more, maybe they'll feature us in their magazine or on their website.

So send your Summit stories to Sierra Senior Editor Paul Rauber at paul.rauber@sierraclub.org.
